TREAT YOURSELF TO A £250 VOUCHER

We are confident that after you've experienced our service you won't hesitate to recommend us to your friends and colleagues, whether they are candidates themselves or potential clients.

As a thank you, for every person you refer who is successfully turned into paying business, we'll give you a £250 voucher of your choice. You can enjoy a day's shopping, while your contacts will be thanking you for putting us in touch.

To qualify for vouchers, referred friends and colleagues as candidates must register with S.TWO, be successfully placed in a permanent role by S.TWO and will need to have passed their probation period. If your referral is placed in to a contract role, they will need to have completed 12 full time weeks in their contract placement. If you are referring a potential client, once a candidate has been successfully placed with them who passes the probationary period the voucher will be issued.
